TO: ALL ISUZU POWERTRAIN DISTRIBUTOR / DEALER SERVICE AND PARTS PERSONNEL

SUBJECT: SPECIAL SERVICE TOOL LIST

Isuzu Motors America, Inc., PowerTrain Division (ISZAPT) is providing the attached quick reference list of part numbers for “Special Service Tools” by engine model. The list is comprised of all “Special Service Tools” from each model’s workshop manual. For further description of the tool, please refer to the appropriate workshop manual for that engine model.

The list will be housed in the Informational web site www.isuzuengines-info.com at the following location: Workshop Manuals link / Special Service Tools folder / Isuzu Special Service Tools List.xls (Excel file). The list will be updated as new models or tool changes are introduced.

If you should have any questions please contact your Service & Parts Representative.

Best Regards,

Your ISZAPT Service & Parts Team
